WORK COMPLETED

The project is primarily complete and is open to local traffic.

The underground sprinkler irrigation system are being repaired and the Contractor is working on the final backfill, permanent seeding and cleaning up the street section.

The Contractor is planning to seed the project as soon as the ground is conducive for seeding.

Gretna
THE GREAT LIFE

On behalf of the City of Gretna, TAB Construction, and Olmsted & Perry Consulting Engineers Inc., we appreciate your patience during the construction of this project.
