Public Open House

Open House Details

When:

- June 12, 2019
- 5:00 — 6:30 p.m.

Where:

- City Hall
204 N. McKenna Ave
Gretna, NE 68028

Contacts:

- Kris Faris
Public Works Director
- Steven Perry, PE
Project Manager
- Gregory Perry, PE
Project Engineer

On behalf of the City of Gretna, you are encouraged to attend the public open house to learn about the upcoming Downtown Streetscape project in your area.

The City of Gretna is proceeding with the revitalization of the downtown district along McKenna Avenue.

The limits of the project are McKenna Avenue from Burns Place to 1/2 block north of Figg Street and including the intersection of Angus Street.

The project will include concrete curb and gutter construction, concrete sidewalk and driveways construction, ADA pedestrian access, fencing, water main replacement and storm sewer construction.

Funding for the project will be provided by the City.

A 15-minute presentation of the project overview will be available at 5:30 p.m.

Representatives from the City and Engineering firm will be available to answer questions during the open house.

Gretna
THE GREAT LIFE

Our goal is to coordinate the projects to minimize impacts and disruptions to adjacent property owners and businesses.

Anticipated Schedule

Water Main

- Fall 2019

Streetscape

- Fall 2019 — Summer 2020
