On behalf of the City of Gretna, you are encouraged to attend the public open house to learn about the Contractor's schedule for the upcoming 216th Street Paving Improvement project in your area.

A 15-minute presentation of the project overview will be available at 5:30 and 6:30 p.m. Following the presentation, representatives from the City, Engineering firm and Contractor will be available to answer questions during the open house.

The project will be phased construction with each phase of 216th Street. Segment 1 (Red/Yellow) improvements from Angus Street to Burns Place will begin on or around May 15th, and be completed by July 2nd. The segment will be constructed in two phases to allow residential access.

Segment 2 (Blue/Green) improvements will include the 216th Street from Burns Place to Gruenther Road. The work will be completed on or before August 15th, prior to school commencing.
