This permit shall expire within 180 days if a substantial beginning has not been made in the construction or establishment of the use applied for and within one year if not completed.

All Electricians are required to have a copy of their current State of NE Electrical License & a copy of their Certificate of Liability Insurance on file at the Gretna City Office prior to issuance of any permits.

- *Homeowners may do electrical work without a license only in the home they own & live in
- *Homeowners still need a permit and inspection of work for code and safety reasons
- *Homeowners may not install electrical work in a new dwelling, since they are not living in it at the time of construction

*** All Appliances Must be Installed for Final Inspection**

Inspections may be requested after the application has been approved and a permit has been issued
 To schedule an inspection contact City Hall 24 hours in advance by 4:00 p.m. @ 402-332-3336 ext. 209
