

# GREटना ARBOR SOCIETY TREE REBATE PROGRAM

Gretna Arbor Society

**SAVE  
UP TO  
\$60**

## How it works:

- You must live in the Gretna city limits to qualify.
- You may be reimbursed \$30 for each tree, up to two trees total.
- All trees purchased must have a trunk that is at least 1 1/2" in diameter.
- You must apply for the rebate between October 5, 2020 and September 5, 2021. Rebate funds are limited, so apply early!
- After purchasing your tree at a reputable nursery, return the completed form and a copy of your receipt to Gretna's City Hall at 204 N. McKenna Avenue between 8:30 and 4:30, Monday - Friday.
- An Arbor Society board member will contact you to inspect the newly planted tree(s).

It is important to plant trees that will thrive in your area. A nursery will offer good advice and know what is available. For further information about tree selection or how to plant your trees, please contact a member of the Gretna Arbor Society. See the back of this flyer for a list of good tree choices for your area.

----- Cut here & return form and a copy of your tree receipt to Gretna City Hall -----

The Gretna Arbor Society, an extension of the City of Gretna, is an organization that promotes the growth of trees in our community. We encourage all new homeowners to include trees in their landscape plans. Trees not only add beauty to your homescape, they conserve energy by providing shade and they clean our air.

## **An Arborist takes care of a tree for life.**
