PROJECT UPDATE

The City's Contractor, Spencer Management, is set to begin concrete panel reconstruction in miscellaneous areas throughout Sapp Brothers, North Park, Willow Park, Plum Creek and Chestnut Ridge on Thursday, August 31st . Construction is expected to last 3 weeks, weather permitting.

The Contractor will remove panels in each area and replace with new concrete pavement within a couple working days.

Access to the homes and streets will be maintained during the panel removal process except adjacent to a driveway where the Contractor will notify impacted residents.

Concrete panel removal

Access will be restricted at times during construction

We appreciate your patience during construction of the project

Concrete will be repaved in areas of removal
