City of Gretna reveals plans for new health care center to serve growing community

Plans for Nebraska Medicine Gretna Landing Health Center to be released in afternoon news conference

Gretna, NE- Today the city of Gretna, Noddle Companies and Nebraska Medicine will give the community an early look at a major development project designed to meet the demand for high quality health care in the Omaha metro and beyond.

A news conference is planned for 2 p.m. in front of Gretna City Hall, 204 N. McKenna Ave.

Gretna Mayor Mike Evans, Jay Noddle, President and CEO of Noddle Companies, and Nebraska Medicine leaders will reveal plans for the development and offer a first look at the project timeline and the services the new health center will offer.

WHAT: News conference revealing plans for new health care facility in Gretna

WHERE: Gretna City Hall, 204 N. McKenna Ave.

WHEN: 2 p.m.

WHO: Gretna Mayor Mike Evans, Jay Noddle with Noddle Companies, James Linder, MD, Nebraska Medicine CEO and chair of the Nebraska Medicine Board of Directors, and Michael Ash, MD, Nebraska Medicine President – Chief Operating Officer

PARKING: Please be aware, there is construction near City Hall. The attached map shows locations for street parking. Parking is also available at Resurrection Church.

OTHER: Please RSVP to Kayla by phone, text or email if you plan to attend. Phone: 402.660.2966 or email kaythomas@nebraskamed.com.
